Terri Santangelo, vice president of clinical operations for FirstLantic Healthcare Inc. in Delray Beach, has been appointed president of Home Care Association of Florida, a nonprofit association that serves Florida home care providers and their vendors, for a two-year term. Shimon Y. Blau and Heather Elisabeth Boo are new staff physicians at Delray Medical Center. Blau comes from New York where he practiced as a psychiatrist and received his degrees from the Ner Israel Rabbinical College and the University of Maryland School of Medicine. Boo is board certified in radiology and received her degree from West Virginia University in Morgantown
