Delray Medical Center Appoints New Administrative Director

Delray Medical Center is pleased to announce the promotion of Bert Munoz to the position of Administrative Director.

Munoz has been at Delray Medical Center for three and a half years. Prior to his promotion he was the Director of Pharmacy for the hospital.

Munoz earned his bachelor's degree in chemistry from the University of Miami. He holds a Bachelors of Pharmacy degree from the University of Florida as well as a master's degree in Health Services Administration from Florida International University.
