DELRAY MEDICAL CENTER APPOINTS NEW DIRECTOR OF CASE MANAGEMENT

DELRAY BEACH, Fla. -(August 2011)— Delray Medical Center is pleased to announce the promotion of Angela Falcone, R.N., BSN to the position of director of case management. In her new role, Falcone will provide leadership to Delray Medical Center on case management issues and oversee the daily operations of the case management department as it strives to achieve financial, clinical and patient satisfaction goals.

“We congratulate Ms. Falcone on her directorship and are confident that her years of experience at Delray Medical Center and leadership skills will contribute to successful case management and promote high quality patient care at the hospital,” says Mark Bryan, chief executive officer.

Falcone has been employed at Delray Medical Center for over seven years. Prior to her promotion, she was the interim director of case management and case management coordinator for the hospital. In these positions, Falcone facilitated effective collaboration with physicians, nurses, ancillary staff, payors, patients and families to achieve optimum clinical outcomes. Falcone has also held the position of patient referral coordinator for Pinecrest Rehabilitation at Delray Medical Center.

Falcone earned her Bachelor of Science in Nursing from Florida Atlantic University and continues to be involved in nursing leadership as a preceptor for nursing students and newly graduated nurses.

About Delray Medical Center

For more than 25 years, Delray Medical Center, a 493-bed acute care hospital, has served the communities of South Palm Beach County. As both a community hospital and Level II trauma center located on a 42-acre medical plaza, Delray Medical Center has the ability to offer several specialized services including Cardiac Care, Orthopedics, Rehabilitation, Neurosciences, Emergency Care and more. For the past four years, Delray Medical Center has been named one of America’s 50 Best Hospitals (HealthGrades), as well as a Primary Stroke Center (Joint Commission), a Blue Distinction Center for Spine Surgery and for Knee and Hip Replacement (Blue Cross and Blue Shield) and has also received the Get With The Guidelines award for coronary artery disease, stroke and heart failure (American Heart Association.) Delray Medical Center is one of only 269 hospitals ranked in the top 5% in the nation for patient outcomes according to a new study by HealthGrades, the leading independent healthcare ratings organization, achieving the HealthGrades Distinguished Hospital for Clinical Excellence Award™. The hospital is one of just 13 hospitals in South Florida, and just one of five in Palm Beach County that received the recognition for its clinical performance. The hospital is actively involved in community outreach, sponsoring several events, community lectures and fundraisers. Delray Medical Center is also a smoke free campus.
